

George Kendry

Recently graduated undergraduate student: specializing in the development, and implementation of innovative gameplay systems, with an emphasis on writing optimised and easily maintainable code. I've collaborated with—and led—small teams to deploy a vast array of gameplay demos across multiple platforms. Now seeking a challenging development role; to further leverage and expand my skill set, while working on challenging projects with other developers who are passionate about their craft.

Skills

Technical:	C#, C++, HTML, CSS, Unity, Unity DOTS, Git
Platforms:	Windows, WebGL, PS5, Meta Quest 2, Android
Additional:	Project management, Code Documentation and Optimisation, Adaptability

Relevant Experience

Qinetiq / Client Project

Oct 2022 - May 2023,
Portsmouth

Lead Programmer

Developed an application for Qinetiq, a defence and security company, leveraging both VR and XR technologies through the Meta Quest 2 headset. As the lead programmer, I ensured the successful implementation of core systems through effective task delegation, and clear communication with the stakeholders.

Nyris GmbH / Work

Experience

Aug 2019 - Aug 2019,
Berlin

Undertook a week-long work experience at Nyris, a leading visual intelligence start-up in Berlin. This invaluable opportunity allowed me to closely shadow industry experts across multiple departments, gaining insights into cutting-edge image recognition and visual search technologies.

Education

University of Portsmouth

Sept 2020 - Aug 2023

BSc (Hons) Computer Games Technology

Upper Second-Class Honours (2:1)

Gained experience with a wide variety of tools and frameworks while working on both small and large scale team projects.

University Technical College Portsmouth

Sept 2018 - Aug 2020

A Levels

Mathematics - C

Physics - C

Computer Science - D

Volunteering

University of Portsmouth

Judo Society

Oct 2021 - Aug 2023

Event Secretary

As a core member of the Judo society's executive committee, I was primarily responsible for organizing weekly social events, in addition to playing a pivotal role in ensuring the welfare of all group members by enforcing clear safeguarding policies and protocols. This experience helped me develop and refine my organizational, leadership, and interpersonal skills.
